ITINERARY FOR THE 6 DAY TRIP OF A LIFE TIME TO ITALY

Day 1: Rome, Assisi, Siena, Florence

Departing from the hotel Diana or similar by a deluxe coach, you will arrive in Assisi, where you can explore this tiny town, surrounded by walls built in the middle ages, at your own leisure. Take time to visit the basilica of St. Francis, where you will see masterpieces by Giotto and Cimabue, and have lunch (not included). Board the bus for Siena, a medieval town surrounded by ancient walls that is known for the Palio, an annual summertime horse race around the shell-shaped town square, Piazza del Campo. Next, you will continue on to Florence, where you will check in to your hotel before enjoying dinner and a well-earned night of rest.

Day 2: Florence

After breakfast at Grand Hotel Mediterraneo 4* , you will spend the day venturing around beautiful Florence, the “cradle of renaissance”, where, with the help of Michelangelo, Italian art reached its pinnacle. Based on Etruscan-Roman origins, the city flourished in the middle ages as a free “comune” and was further refined by the Renaissance. You will be fascinated by its numerous monuments, churches, and buildings, as Santa Maria del Fiore, referred to as the Duomo. On your visit, you will be amazed by its magnificent dome built by Filippo Brunelleschi. Cross a small piazza to see the campanile tower (partly designed by Giotto) and the baptistery, with its bronze doors that Michelangelo dubbed the “gates of paradise.” In the heart of the city, you will see Piazza della Signoria, Palazzo della Signoria (also known as Palazzo Vecchio), and the basilica of Santa Croce. Spend the afternoon strolling the cobblestone streets of Florence on your own or take a short trip to Pisa (optional), one of the four main historical maritime republics of Italy. There, you will tour the square of miracles, which houses the Duomo, the leaning tower, and the baptistry. Enjoy Florence

Dinner and overnight stay.

Day 3: Florence, Bologna, Padova, Venice Depart for Bologna after breakfast in Florence. There, you will wander through the city's 38 kilometers worth of elegant arcades (or porticos), for which Bologna is famous. From Piazza Malpighi, you will walk to Piazzadel Nettuno and Piazza Maggiore (Neptune Square and Major Square) in the heart of the city, where you will find Neptune Fountain; King Renzo Palace; Podestà Palace; and the basilica of San Petronio, one of the biggest in the world. In the afternoon, continue toward Padova, with its original Sant'Antonio Basilica. Later, you will arrive in Venice, world-renowned for its classic gondola boats and its elegant, refined art. Check into your hotel(Carlton Grand Canal or similar) for dinner and an overnight stay.

Day 4: Venice and Rome

After breakfast take a trip down to Rome this day. We then proceed to the Embassy of Nigeria house in Rome for an audience with the Ambassador. If time permits, do some shopping and then proceed to hotel for your Dinner

Day 5: Rome

Set out after breakfast to the Sapienza University of Rome. There you will be received and hosted by one of the University key staff. Takean opportunity to experience their lifestyle at the University campus and also network for future studies possibilities. If time permits, do shopping and head back to your hotel for Dinner.

Day 6: Rome

Enjoy one final breakfast before the tour comes to an end and you head back home.
